Mr Ed. Gottlieb
509 Market St.
Phila. Pa.

Dear Gottlieb:

I am returning the check you sent a couple days ago, and I think this statement will explain why. We agreed at the league meeting the winter, to send in \$100.00 by April 26th so there would be some money in the treas. Every club has done this but Phila. On the other hand no club but Phila. has paid the balance due for June and July. The Eagles have paid the balance due for June as you can see.

I am sending you the check for McClary salary to July 15th, and will keep the statement you sent to be credited against your league dues for August. I am sending the check back as there is no reason why you should be ahead of the others so far. On the other hand, you still owe for May \$100.00.

I am sure we will get everything straight in Chicago.

Dont bother about contacting Mitchell. about the dates. I guess you have enough headaches of your own without being annoyed with mine. Thanks for all your help.

I asked Abe to tell you, we have planned to go west with The Grays from the 1st to the 8th of August, so that leaves out the tentative date in Phila. the 31st of July.

Very Truly Yours
